I just read of Sue's passing and am so very sorry. Sue was the sweetest girl and you all were so very nice to me whenever I'd come to your home. Again, I'm so very, very sorry.

“ Dear Jane and Jack, I am so sorry to learn of Susan's passing. Sue was my elementary school sweetheart. Sue would tease me, called me "hornet" and would pinch me with stings. I admire her accomplishments throughout our school years. My thoughts and prayers are with you during this difficult time. God Bless You.

“ Mr and Mrs Ginley, I am so sorry that Sue has passed. Your daughter was a beautiful girl/woman. I coached her in Skaneateles high school soccer. She was so coachable and pleasant every day. My deepest sympathies to you, her children Hunter and Abby, and her siblings especially Ann, who I coached as well. You are not alone in trying to understand this tragedy. Rest your hearts when you can.

“ I was so sorry to hear about Sue. To Mr. & Mrs. Ginley: It is never easy to lose a child, no matter what their age. I pray that Sue is at peace now and that you both find some comfort in this. Even though I had not seen her in years my memories of her are as clear as if they were yesterday. Please know that my thoughts and prayers are with you, John, Michael, Ann and Sue's children.
